Did you know your website can connect with a range of Xero friendly add-ons?

Capture leads, bookings or online purchases on your website, whatever your industry. The customer’s info flows automatically into a range of business tools (add-ons) that connect with Xero. Check out the diagram to help your clients streamline their business, cut manual data entry and reduce admin.

Brought to you by Greg Wallace - Rocketspark Partner Manager

Rocketspark is a beautifully simple website builder that connects with Xero and a wide range of Xero add-ons, Greg helps Rocketspark partners get up to speed with creating websites for clients and regularly provides advice on suitable website add-ons to maximise a website's potential.
